### Topic

Please join your colleagues for an exclusive guided tour of **fastcase and mndocs**—two online tools that will save you and your firm time and money.

We will show you how to use mndocs—HotDocs® tailored to Minnesota law firms—to begin saving time and ensure consistency when you create court-ready documents and forms. You will also learn how to navigate fastcase and begin using it as your only online legal research tool or as a supplement to your current service.

This interactive CLE will fill you in on these powerful online tools, so you can use them effectively!

### Cost

Free. Please join your colleagues for this complimentary CLE. Registration space may be limited on some dates.
