Re: Commitment to Diversity in the Workplace

Dear \_\_\_\_\_:

We at [name of Minnesota firm] are committed to promoting diversity within our own business and among those with which we ourselves do business. We have joined a group of leading Minnesota firms and adopted the enclosed Statement of Principle in support of workplace diversity. We are writing to inform you of our decision to join in this initiative.

We understand the difficulties that businesses and employers face with respect to these issues. Nonetheless, we intend to patronize businesses, including law firms, that share our values with respect to diversity. A diverse workplace nurtures innovative approaches to problem solving. We encourage you to inform us about what your firm has done and is doing to promote workplace diversity.

Please let me know if you have any questions regarding this matter.

Sincerely,
