

*Eligible recipients must have started their practice in elder law within the last three (3) years or must reside more than 150 miles from the Twin Cities. If you were licensed more than three (3) years ago, identify any special circumstance leading to entering practice in elder law within the last three (3) years.*

---

---

Briefly describe your current level of practice in elder law as well as any intentions to expand your work in elder law:

---

---

---

---

*Eligible recipients must practice at least partly in elder law.*
