Come and visit with Minnesota lawyers who practice in environmental law, energy law, land use and related areas. We will have attorneys in private practice from firms of all sizes, in-house counsel and government and public-interest attorneys.

This is a great opportunity to network and to learn about environmental law and the Minnesota legal community! Take some time away from work and the books, eat some pizza, and have some friendly conversation with lawyers and other law students.

RSVP by Monday, October 19, 2009 to Kim Basting at 612-278-6323 or
