The MSBA is committed to closing the justice gap for low-income Minnesotans by connecting members with opportunities to serve legal services clients. Through presentations, trainings, recognition and articles, the MSBA promotes the value and importance of pro bono work, as expressed in Rule 6.1 of the Rules of Professional Conduct. The MSBA also supports ProJusticeMN.org, a collaboration with the Legal Services State Support Center and Pro Bono Net designed to provide a central online resource for pro bono lawyers.

ProJusticeMN.org provides access to an extensive library of forms and practice materials, news items, an events calendar, a directory of pro bono and legal service providers and postings of new pro bono opportunities. Membership to the website is free for pro bono lawyers, legal services staff and law students.

If you are interested in learning more about how you can assist pro bono clients, contact the MSBA's Pro Bono Development Director, Steve Marchese, at smarchese@mnbbar.org or (612) 333-1183.
