

# A TRUE MEASURE OF JUSTICE

HENNEPIN COUNTY BAR FOUNDATION

In 2022, the HCBF awarded grants to local nonprofits that work to provide legal access and support to those in need. Because each organization is unique in the way they provide services, we would like to highlight the collective work of our grantees to show how your support of the foundation promotes access to justice for the people of Hennepin County.

## FELLOWS

Making a Difference in Hennepin County

GAVE  
**\$22,875**

Established by the HCBF board of directors in 2018, the Fellows Program is an honorary society of attorneys, judges, law faculty, and legal scholars who have committed to financially support the goals and objectives of the foundation. 60 Fellows brought in **\$22,875** this year that was given away in community grants. Thank you to our Fellows for this commitment to closing the justice gap in Hennepin County.
