

Goldy Gopher Presents:

The 11th Annual Golden Gavel Invitational

The University of Minnesota Undergraduate Mock Trial Association is pleased to invite you to the 11th Annual Golden Gavel Invitational! It will be held on the University of Minnesota's West Bank Campus, on Saturday, December 8th. This is the perfect opportunity to kick-off the new season, and compete against some of the strongest schools in the state.

Our tournament will guarantee that both sides have a chance to compete. We will make every attempt to prevent face-offs from the same region. Top trial teams, top attorneys, and top witnesses will be presented with trophies in recognition of their performance.

Registration information, fees of \$75 per competing team, along with payment for pizzas and beverages are due by check-in on December 8th.

Checks should be made out to U of M Undergraduate Mock Trial Association. Fees and registration information can be mailed to:

Undergraduate Mock Trial Association
126 Coffman Memorial Union
300 Washington Avenue Southeast
Minneapolis, MN 55455

There is no limit on the number of teams a school can enter. Please provide one roster sheet, found on Page 4, for each competing team.

Every attempt will be made to fill the judging rosters with area attorneys but *each team will be required to provide at least one judge for each round in order to compete*. Please send judging information to mtrial@umn.edu when it becomes available.
