

Goldy Gopher

Presents:

The 16th Annual Golden Gavel Invitational

The University of Minnesota Undergraduate Mock Trial Association is pleased to invite you to the 16th Annual Golden Gavel Invitational! It will be held in-person on **Saturday, December 9, 2023**, on the West Bank Campus. This is the perfect opportunity to kick-off the new season, and compete against some of the strongest schools in the state.

Our tournament will guarantee that both sides have a chance to compete. Top trial teams, top attorneys, and top witnesses will be presented with awards in recognition of their performance. To accept your invite, please email mtrial@umn.edu by **Friday, November 24**, with your school, a contact and the number of teams.

Registration fee this year will be **\$115** for the **first team** and **\$100** for every **subsequent team** from every school. There is an option to pay via check or Venmo. All payments will be due by **Friday, December 1st**. Checks should be made out to the UMN Undergraduate Mock Trial Association. Fees and registration information can be mailed to:

1408 Social Science Building
ATTN: University of Minnesota Undergraduate Mock Trial Association
267 19th Ave S
Minneapolis, MN 55455

There is no limit on the number of teams a school can enter; however, we are capping our tournament at 28 teams.

We likely will not need coaches to judge. Many of the U's mock trial members and our alumni will be judging! This gives coaches the ability to watch their teams all day. However, this may change.

We look forward to seeing everyone in December!

Cheers!
